Consumption and Social Wellbeing

## CALL FOR REGISTRATION

**Date:**

**21<sup>st</sup>-24<sup>th</sup> March 2023**

**Venue:**

**Safari Park Hotel,  
Nairobi, Kenya**

***Growing Sustainably***

# Conference Registration

**Introduction:** The Conference Organizing Committee (COC) of the 1st Eastern Africa Agroecology Conference to be held from 21st to 24th March 2023 in Nairobi, Kenya, wishes to invite individuals, organizations and networks to this great conference to register for participation.

This conference aims to invoke consciousness and motivate regional and continental communities to dialogue how to invest in interventions which can ameliorate the negative impacts of the current unsustainable food systems by transitioning towards more environmentally friendly solutions with long-term vision and planning.

The conference will be held in Nairobi, Kenya, at Safari Park Hotel from 21st - 24th March 2023 and will include exhibitions, plenary and breakout sessions as well as field excursions to agroecological enterprises. The conference will be a hybrid event comprising in-person attendance and livestreaming for online participants.

**Conference Title:** 1st Eastern Africa Agroecology Conference: Transforming Food Systems for Responsible Production, Consumption and Social wellbeing.

**Conference Theme:** Strengthening Resilience and Sustainability in Food Systems for Environmental and Socioeconomic Development.

## Sub themes:

1. Production, productivity, scaling up and sustainability of farming systems based on environmentally friendly technologies and methodologies.
2. Best practices towards food security, nutrition, consumption, and health: Soil health and farmer managed seed systems.
3. Women and youth in agroecology.
4. Ecological organic trade, markets, and economy.
5. Institutional and policy drivers for agroecology transformations.
6. Financing agroecological transformations.

Our website: <https://ea-agroecologyconference.org/>

Growing Sustainably

The conference will be a hybrid event consisting of the following:

1. Preconference meetings (physical and webinars).
2. Main conference (2 days hybrid), consisting of:
  - i. Plenary sessions on food system transformation topics, with inspiring keynote presentations and panel discussions involving key stakeholders.
  - ii. Break-out sessions along conference tracks with interactive formats (short presentations, panel discussions, fish-bowl discussions, World Cafés, side events).
  - iii. Exhibitions
3. Field excursions to actors of agroecological value chains

### Benefits of registering as a delegate

1. Attendance to all conference proceedings
2. Conference communication materials (programmes, conference book of abstracts, conference bag).
